FAQs

TRAINING TO TEACH THEATRE

I. What's the need for TTT?

Story-Telling has been established as the most effective manner for sharing information. And there is a growing need of Expert Storytellers & Dramatist across Indian schools who wish to make class-room learning more interactive; while adding Theatre & Drama in students' curriculum. **The demand for Theatre Teachers & Facilitators is high, while the availability of experts in the market is low. Actor Unveiled's TTT Program aims at bridging this gap.**

II. Who should join TTT?

With in house experts in storytelling, dance, drama and theatre; TTT is a suitable for:

- Teacher who have completed B(ED), to add a specialization into their resume
- Grad Students with a desire to make Theatre Teaching as a career.
- Theatre Enthusiasts who wish to make Theatre Teaching as a career.
- Corporate Trainers & Motivational Speakers add theatre techniques in their seminars

III. What is the scope post TTT?

While we offering **100% placement support**, there are many opportunities for individuals post the course competition:

1. Placement in a school as a full-time/part-time teacher
2. In-House Placement – getting placed as an AU Instructor
3. Creating an individual theatre group or company
